PART III—Section I

NOTIFICATIONS BY GOVERNMENT

DEVELOPMENT SECRETARIAT

Dated 24–27th March 1952.

No. C. & D. 3059. The following public notice issued by the Ministry of Commerce and Industry, Government of India, New Delhi, regarding 'Licensing of ærated water bottles and milk-glass bottles' is republished for general information :—

PUBLIC NOTICE.

Subject :—Licensing of ærated-water bottles and milk-glass bottles.

No. 20-I.T.C. (P.N.)—52. Although in general, the import of aerated water bottles and milk glass bottles falling under Serial No. 247-IV of the Import Trade Control Schedule is not allowed, it has been represented that there are certain automatic filling machines in the country for the smooth and efficient working of which machine made bottles of special qualities are required, the demand for which cannot be altogether met from indigenous sources.

2. Firms having automatic washing and filling machines, who wish to import either aerated water bottles or milk glass bottles from the soft currency area for use in their own factory, may, therefore, apply to the Chief Controller of Imports, New Delhi, for a special licence in accordance with the terms and conditions laid down in the Hand-book of Rules and Procedure, along with the following information and documents :—

(*a*) Make and capacity of automatic machines installed.

(*b*) Actual output during the calendar year 1951 certified by the firm's auditors.

(*c*) Specifications of the bottles needed and special characteristics, if any, of these bottles which make it difficult to obtain them from indigenous sources.

(*d*) Any documentary evidence to show what efforts have been made to locate supplies from indigenous sources and in particular copies of correspondence with manufacturing Firms in India.

By Order of His Highness the Maharaja,

8473

Dated 27th March 1952.

No. C. & D. 3057-58. The following Public Notice issued by the Ministry of Commerce and Industry, Government of India, New Delhi, regarding the scheme for licensing import of Irrigation Project Equipment, is republished for general information :—

By Order of His Highness the Maharaja,

B. T. KEMPANNA,

Secretary to Government,

8472 *Development Department.*

GOVERNMENT OF INDIA

MINISTRY OF COMMERCE AND INDUSTRY

Import Trade Control

New Delhi, the 6th March 1952.

PUBLIC NOTICE.

Subject.—Scheme for licensing import of Irrigation Project Equipment.

No. 17-I.T.C. (PN)—52. The following decisions of the Government of India in regard to the issue of licences for Machinery and Equipment required by various Irrigation Project under the Irrigation Project Equipment Scheme are hereby announced for general information.

2. Subject to the provisions of paragraph *3* below the Irrigation Project Equipment Scheme shall only apply to the following goods classifiable under Parts I, II and V of the Import Trade Control Schedule :—

PART I.

Serial No. 17—Cast Iron and Steel Valves and similar controls for water works, Irrigation and Hydro Electric Scheme. Serial No. 20—Fabricated Gates for Dams and Barrages.

PART II.

Serial No. 9—Iron and Steel articles and controls for Dams and Barrages also cocks and taps. Serial No. 36—All Goods included in Serial No. 36 (1), 36 (2), 36 (3), 36 (4) and 36 (5)—required for Irrigation, Hydro-Electrical Schemes.

PART V.

Serial No. 65—All goods falling under serial No. 65 (1), 65 (2), 65 (3), 65 (4) and 65 (5) when required for Irrigation Projects, Serial No. 92—Water Meters and Measuring Instruments required for Water Works, Irrigation and Hydro Electric Projects.

3. The Scheme will apply applications of an aggregate value of Rs. 25,000 or over for any project or subsidiary thereto.

4. These requirements will be centrally licensed by the Chief Controller of Imports in New Delhi and all the requirements should be put in one application rather than piecemeal according to the Serial Number of the Import Trade Control Schedule. The applications will be treated in the same way as the applications for Capital Goods. They should be made in the form prescribed for Capital Goods and Heavy Electrical Plant and should be submitted in duplicate to Chief Controller of Imports through Central Water and Power Commission, New Delhi.

5. The initial period of validity for these licences will be one year from the date of issue and will be extended to maximum period of three years on production of documentary evidence to show that a firm order has been placed and accepted by foreign suppliers. In cases where such evidence is produced at the time of submission of the application, licences will be issued with the maximum period of validity and no further extension will be necessary.

6. The applications should be accompanied with the usual treasury receipt and Income-tax Vertification Certificate Number or the specific exemption number as in the case of Captial Goods applications.

L. K. JHA,

Joint Secy. to the Government of India.

FINANCIAL SECRETARIAT

The accompanying Press Note issued by the Finance Commission inviting certain suggestions from the public is republished for information.

By Order,

M. SHAMANNA,

Secretary to Government,

8018 *Finance Department.*

Among the questions on which the Finance Commission will have to make recommendations are :

(i) the distribution of the net proceeds of income-tax between the Union and the States and the allocation of the States' share among the
